Profile Summary

Engineering student with internship experience in software development and backend prototyping. Interested in Java, databases, and scalable software systems.

Technical Skills

Languages: Java, Python, C, SQL
Databases: MySQL
Tools & Platforms: Git, Postman, Linux

Experience

Project Trainee Sep 2025
Web Amigo Technologies LLP (Zoho Corp.), Chennai

- Designed and implemented mini proof-of-concepts (POCs) for data parsing, automation, and backend efficiency.
- Collaborating with the product team to translate business logic into optimized, modular, and testable code.

Web Development Intern Dec 2023
Elewayte

- Developed a full-fledged static website using technologies like JavaScript, MySQL and HTML.
- Learnt the processes involved in designing websites that people use every day.

Content Writer Apr 2023
Daily Thanthi, Nagercoil

- Authored a comprehensive essay titled "Will Artificial Intelligence Be Threatening to Humanity?", analysing the possible threats and benefits of artificial intelligence.

Projects

Decentralized Communication among Autonomous Vehicles – *Mobius 2024, Thiagarajar College of Engineering*
Proposed a concept for secure, peer-to-peer communication among autonomous vehicles using decentralized protocols.

Education

Government College of Engineering, Tirunelveli Jul 2026
Bachelor Of Engineering – GPA: 8.1
Relevant Coursework: Artificial Intelligence and Machine Learning Fundamentals, Wireless Network Design

Evans Matriculation Higher Secondary School, Nagercoil Mar 2020
Higher Secondary (HSC) – 88 % | Secondary (SSLC) – 99%

Certifications

Problem Solving Through Programming in C – IIT Guwahati
Introduction to Industry 4.0 and Internet of Things – IIT Kharagpur MOOC

Recognitions

- **Certificate of Merit** – Ranked I in the Department (Anna University Examinations)
- **EDGE' 2023** – Runner Up, KIMO India Intra-college Tech Competition
- **Mobius 2024** – III Prize, Thiagarajar College of Engineering

Activities

Student Volunteer Mar 2024
National Service Scheme

- Led a group of fellow volunteers to plant tree saplings and to maintain the cleanliness in the village centre where our college unit has camped for a week.
